

## ~ Visit Request Form ~ GFRAP Traveling Bears

Let some fun come from having CD! Invite a GFRAP Traveling Bear to visit your child with CD. Help them to know that they are not alone, while helping to educate others in their community about CD.

The Gluten-Free Restaurant Awareness Program™, developed by the Westchester Celiac Sprue Support Group, has initiated a unique GFRAP Traveling Bears for celiac children program, to increase awareness of celiac disease and to help children with celiac disease understand and communicate the gluten-free diet. By request, one of the special GFRAP Traveling Bears can visit a child with celiac disease for a few days. Follow the bears' travels on the GFRAP web site: [www.glutenfreerestaurants.org](http://www.glutenfreerestaurants.org)

To request that a bear visit your child for a three day visit, please complete this form and send it, along with your check or money order to the address below.

A \$25 donation to the Gluten Free Restaurant Awareness Program allows one of the GFRAP Traveling Bears to visit a child and their family for a three-day visit before they need to mail it on to the next child awaiting the bear's visit.
