

# Mark your Calendars and join us at our Fall Meeting!

## Special Guest Speaker

**Dr. Peter Green**, Director of the  
Celiac Disease Center at Columbia University

Don't miss one of the world's leading authorities on celiac disease share the latest developments in diagnosis and treatment. Dr. Green's topics will include:

- advances in research and testing
- recent changes in celiac disease
- gluten sensitivity
- home testing kits
- current studies at the Celiac Disease Center

Bring your questions — and come early — to what is always a standing-room-only presentation.
